

APPLICATION **FOR NAAOP BREECE FELLOWSHIP PROGRAM (2023)**

The National Association for the Advancement of Orthotics and Prosthetics (NAAOP) (www.naaop.org) is soliciting applications for its annual health policy/advocacy Breece Fellowship. NAAOP is a national nonprofit association advocating for consumers/patients requiring orthotic and prosthetic care, as well as the providers who serve them. The NAAOP Fellowship is a paid, 10-week summer program based in Washington, D.C. One or two fellows will be selected for the 2023 term. The fellows will learn about orthotic and prosthetic (O&P) policy and advocacy at the federal level, and how NAAOP and other O&P organizations function on behalf of the O&P community—and in the broader context of rehabilitation and disability policy and advocacy.

The fellowship also includes exposure to:

- (1) O&P clinical and business settings inside and outside of Washington, DC, and,
- (2) state-based public policy and advocacy.

The selection of the Breece Fellow(s) for 2020 will be through a competitive process using this application and related documents electronically submitted by applicants by the deadline, Tuesday, February 28, 2023, by 12:00 Midnight, Eastern Time. Finalists will be interviewed via videoconference and either one or two fellows will be selected. If the finalist(s) selected cannot accept the fellowship for any reason, the next highest ranked fellow will be offered the position.

Candidate Selection Criteria

Required Elements: All applicants must:

- Personally use a custom fabricated orthosis or prosthesis (orthotic brace or prosthetic limb);
- Have an interest in public/health policy and advocacy;
- Demonstrate an interest in advancing O&P care;
- Have excellent writing, speaking, and analytical skills;
- Be able to spend ten weeks in the summer of 2020 in Washington, D.C. working full-time in this Fellowship; and,
- Be willing and able to travel (with or without reasonable accommodations) for periods of short duration.

Preferred Elements: Ideal candidates will possess the following traits:

- A college degree (associate or bachelor's degree) and/or a post-graduate degree (or enrollment in a program to receive an undergraduate or graduate degree) preferably in an area reflective of an interest in policy, advocacy, law, government, healthcare, or orthotics and prosthetics;
- Significant personal and/or professional knowledge of the health care system;

- An interest in or understanding of the U.S. federal and state political systems
- A longer-term goal of developing a career in public policy, advocacy, law, government, health care, or orthotics and prosthetics.

NAAOP Fellowship Details

Each NAAOP Breece Fellow will receive a stipend of \$500 per week for the duration of the fellowship (i.e., 10 weeks). NAAOP will provide the fellow with an office, phone, and computer in the offices of NAAOP's counsel, the Powers Law Firm, located at 1501 M Street, NW, Suite 700, Washington, DC 20005. NAAOP will assist the fellow(s) in exploring summer housing options with area colleges or other locations for those with no other housing options. NAAOP will offer a stipend for housing to help assist the Fellow(s) in securing appropriate housing.

Breece Fellows will shadow NAAOP's General Counsel, Peter W. Thomas, who will assign and oversee the fellow's health policy and advocacy work. That work will focus on orthotics and prosthetics but will also include exposure to the broader rehabilitation and disability policy environment. Other O&P organizations may host the fellow(s) for a day of activities to familiarize them with the role played by these groups. NAAOP counsel will seek to expose the fellow(s) to events such as policy and advocacy speakers, attendance at Congressional hearings and other important meetings, participation in coalition and "think tank" meetings/presentations throughout Washington, and meetings with other rehabilitation organizations to gain an appreciation of the broader rehabilitation and disability field.

To familiarize the Breece Fellows with the current O&P clinical and business environment, the fellow(s) will travel to certain O&P clinical practices and businesses to spend time in those settings. In addition to learning about clinical orthotic and prosthetic patient care, the fellows will be exposed to a clinical O&P laboratory and other O&P business operations. Finally, the fellows will be introduced to state-based policy and advocacy while on these excursions. Travel and lodging expenses will be provided at no cost to the fellows.

Timing

Application Deadline: Tuesday, February 28, 2023 at 12:00 Midnight, Eastern Time
Applications and any additional documentation must be submitted electronically to Fellowship@naaop.org.

Fellowship Selection Announcement:

- Friday, March 24, 2023

Fellowship Term:

- 10-week period beginning late May through early, with one-week paid vacation during the week of Independence Day.

NAAOP Fellowship Applicant's Information

(Applicants should feel free to submit the answers to these questions in a separate document)

1. Full Name: _____ Gender: _____

2. Address: _____

3. Phone: Mobile: _____
Business: _____
Home: _____

4. Email Address: _____

5. Date of Birth: _____

6. Academic History (including degree(s), schools, training programs, certifications, and grade point average(s), etc.): _____

7. Work History (significant employment, whether or not it relates to this fellowship): _____

8. Experience with the Use of an Orthosis or Prosthesis: _____
